WHO WE ARE

The Wedding International Professionals Association (WIPA) launched in July 2008 as a means for wedding professionals around the country to connect and collaborate with one another.

We don't just talk about weddings - we create them! WIPA is a non-profit association run by its esteemed members. We understand what it takes to produce a wedding, as we represent the multitude of wedding disciplines: cake designers, caterers, DJ's, florists, entertainment companies, hoteliers, invitation companies, musicians, officiants, photographers, rental companies, wedding planners, venues, videographers and many more!
