CONNECT WITH WIPA DALLAS

A Message from your Dallas Chapter President

Welcome

Dear Members and Future Members of WIPA Dallas,

As the current President of WIPA Dallas, I want to express my sincere gratitude for your unwavering support and involvement in our organization. First, I would like to extend a special thank you to our members who have been with us on this journey for a while, as well as those who have recently joined or are considering joining. Your dedication to our mission of fostering excellence in the wedding industry is truly commendable. We have had an incredible start to the year, and there is just so much more still to come!

I would also like to shout out our incredible Board of Directors! Their tireless efforts and commitment to driving our organization forward have been instrumental in our success. It is their collective passion and expertise that enables us to provide exceptional education and events to our community. If you are interested in serving on the board or a committee in the future, please reach out so we can share more about the process and expectations.

It fills me with immense pride to think about the outstanding events we have held as we reflect on the first six months of the year. We kicked off the year with a remarkable Members Experience event at XOXO Dining Room, where we came to celebrate Valentine's Day in style. It was a night filled with connections, libations - and even a surprise aerial act!

Next came our first educational meeting of the year, hosted by Virgin Hotels Dallas in March. We enjoyed an "Upside Down Afternoon Tea", complete with tea service (and fabulous specialty cocktails, naturally!) while we learned all about the latest catering trends from the dynamic siblings Robin and Jeff Selden of Marcia Selden Catering, who were joined by special guest Justin Pasha of The Cup Bearer.

We enjoyed our most recent meeting earlier this month where WIPA members from all over the country assembled in Dallas for our second annual Floral Fight Competition. Blooms went flying as creative partners from all walks of life had just one hour to craft amazing tablescapes and floral arrangements. Following the competition, we experienced a memorable night with a moving presentation from Josh Spiegel of Birch Event Design on the topic of imposter syndrome. The fabulous night was made complete with an afterparty featuring Aura by Scott Michaels! The evening was a true testament to the creativity and passion that defines our industry!

There is still so much to come this year, so be sure to follow along with us via email and on social media for upcoming details -- you definitely will not want to miss our September and November events! (Hint: both will be hosted by brand-new venues that we know you will be excited to explore.)

Now more than ever is the perfect time to **join** WIPA Dallas and become an integral part of our vibrant and thriving events community. Our summer membership drive is available through June 29th. Together, we can continue to create exceptional experiences, foster collaboration, and raise the bar for excellence in the wedding industry.

Thank you once again for your support, participation, and dedication. I look forward to our future together as we continue to grow and make an impact on our local wedding community.

Sincerely,
Jordan Fatheree,
2023 President WIPA Dallas
