DEI Corner

Learn and Love Diversity

Congratulations to making it through another busy wedding season! As we head into the holidays and gear up for some relaxation, I'd like you to evaluate your membership with Wipa Las Vegas. The best results come from active participation in our various programs, events and committees. Going into next year, really consider taking your membership to the next level, whatever direction that may be.

We are currently looking for volunteer WIPA members to work with our DEI Directors across all chapters. WIPA remains committed to driving change within our association and across the industry as a whole. If you would like to be part of that change and can commit 2-5 hours per month of your time to support your local DEI Director, please chat with me, your current DEI Director or connect with our chapter President today.

SILENT AUCTION DONATION REQUESTS FOR UPCOMING WIPA GALA

The WIPA Gala here in Las Vegas is the most anticipated annual event for all members! It's a time to celebrate the year's wins and live & learn's with each other, it's a time to just relinquish the stresses of our industry and enjoy a night of positive vibes with our fellow friendors!

This one night, is also an opportunity for our member community to unite, by raising funds through the Gala's annual Silent Auction, and we need your help! Proceeds earned from the Silent Auction help to fund the upcoming year's educational & networking events, as well as a portion of the proceeds being donated to our partner charity The Garden Foundation. We are asking our members to reach out to their connections and relationships to garner some amazing prizes that will excite bidders and support the cause (big or small we need them all)!

Please reach out to our Director of Sponsorship, Jessica Ruddy regarding any donations or questions, she can also share with you the donation request letter to send to your contacts. We appreciate your support and look forward to celebrating at the Gala with you!
