WIPA NASHVILLE
MONTHLY NEWSLETTER
JULY 2023

WE'RE DOING THE DANG THANG

We are halfway through 2023 and your board of directors have been hard at work to bring amazing education, luxury events and value to your Nashville WIPA membership. Our membership has grown to 82 members in such a short amount of time, and we can't wait to see what comes next!

While our accomplishments are indeed noteworthy, I want to emphasize that the true essence of WIPA lies in the meaningful relationships we foster. I have found immense joy in connecting with industry professionals not only within our local market but also across the country. WIPA is not solely a professional organization; it is a vibrant community that thrives on collaboration, support, and camaraderie.

So this summer as you unwind and prepare for the Fall wedding season, I encourage you to connect with your fellow members: grab coffee, tour venues, or cheers to a new friendship over a glass of wine. Together, we can continue to shape and strengthen our industry.

NETWORKING TIP

If you aren't familiar with everyone yet, go to the event with a friend and make them your home base. When you're ready for a break after getting to know others in the room, find your buddy and take a breath.
