A Message from Your Utah Chapter President

Welcome

Hello WIPA Utah!

Is it just me or is it wild to think we are already at the end of August? Our WIPA Gala will be here before you know it and then right after that the holiday season starts.

I have enjoyed working alongside many of you during this busy season and seeing your social media posts of the magnificent weddings you're a part of. I think WIPA Utah has such a positive and recognizable name in our area because our members are true professionals at their craft. I talk with a lot of people who haven't yet joined and a majority of them have heard about WIPA and see it as the organization that all the best wedding vendors join. This is a testament to the high level of professionalism and work that all of our members put forth. Thank you for being leaders in our industry and continually raising the bar.

One of the main reasons I have loved WIPA is because I've been able to interact and meet other talented wedding professionals outside of our typical work environment. At most weddings my conversations are forced to be short because we are all so busy setting up and racing against the clock. This is why I really enjoy having in-depth conversations at our WIPA events with people I have met before or people I'm meeting for the first time. These new friendships have made my personal and work life more meaningful and have created a lot more business for me. That's the beauty of our chapter.

I hope to see you all at our September event as well as our Gala! Good luck with the rest of wedding season. Please know I am here as a friend to help out in any way.

Q3 Event Recap | Event date: July 13, 2022

Bron Hansboro

Award-winning floral and event designer Bron Hansboro has devoted his career to navigating clients through the creative process and transforming their visions into exquisite events since 2014.

An Afternoon in the Mountains

This unique WIPA event showcased stunning Deer Valley Resort. We began at Snow Park Lodge with a learning opportunity from our special guest, The Flower Guy Bron. Concluding the educational piece of the afternoon, we had the opportunity to network while taking a scenic chairlift ride to Silver Lake Lodge. ProTrans then shuttled us to Empire Lodge for a venue pop in & then we headed back to Snow Park for a complimentary dinner & a concert on the lawn!

Thank you to all who joined us & a special thank you to our sponsors!
